Haberberger is pleased to announce the addition of Steve Baker, of O'Fallon, Mo., to the Affton-based mechanical contracting firm as Vice President of Plumbing. In his new role, he will be heading up the new Plumbing division.

Steve brings over 35 years of experience in the plumbing industry. He spent 18 years of his career working in the field as a plumber. Baker relocated to St. Louis with his family eight years ago from California where he was the President of Extreme Mechanical, Inc., a company he founded in 2000. Steve holds several master plumber licenses in Missouri, as well as plumbing, fire protection and general contractor licensees in California.

Steve has an extensive background as a plumbing and process piping contractor in the industrial, pharmaceutical and food processing sectors in St. Louis and throughout the country.

Haberberger, Inc. is a 68-year-old mechanical contracting company that offers energy management and customized maintenance programs, process piping, sheetmetal, HVAC, refrigeration, and now plumbing to a variety of industrial and commercial customers.
